

A Message from the Reliv Kalogris Foundation Chairman, R. Scott Montgomery

There is no question that 2011 was a year dominated by our largest building project to date, the RKF Children's Home in Haiti. For the orphaned children who lost so much in the 2010 earthquake, this project enabled us to give these kids a chance for a much brighter future. And how wonderful it was to see these children at the building dedication, all smiles, just knowing that they have been given a very special opportunity. Once again they can enjoy being kids in a safe and loving environment. These "Reliv Kids" are now being fed, clothed and educated and building a bond with the other children and caregivers in their new home.

Support and Revenue

Since 1995 we have distributed more than \$35 million in Reliv products to those in need. And with 2011 donations once again topping the \$1 million mark, our donors have proven that those more fortunate continue to want to help those in need.

2010
+\$25 M → 2011
+\$35 M

2011 Donations
+\$1 M

It has been a great year for the Foundation and our recipients and with such enthusiastic support from our donors; we continue our Mission to ***Nourish Our World.***

Mission Statement

To Nourish Our World by providing nutritional supplements to support needy individuals and organizations throughout the world.

2011 Highlights

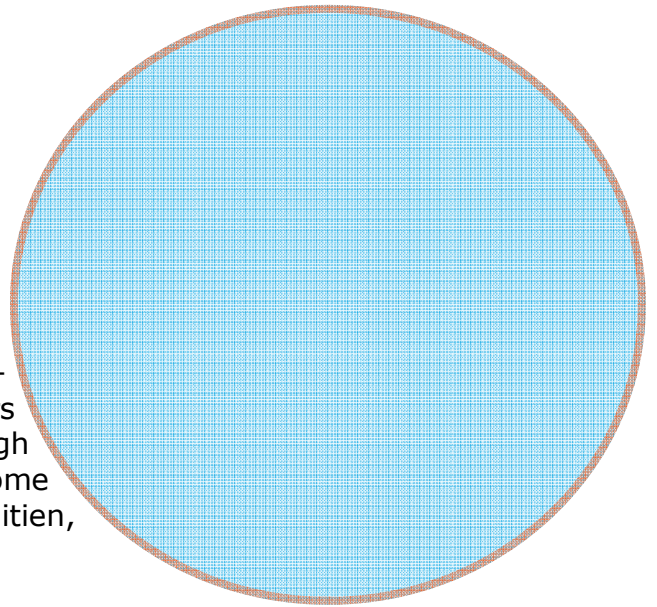

Haiti Orphan Project

The Reliv Kalogris Foundation responded to Haiti's 2010 earthquake by providing our distributors a means to help the victims. Money raised through the Haiti Relief effort resulted in a children's home in the Petite-Anse neighborhood in Cap Haitien, Northern Haiti.

The children's home has dormitory-style sleeping areas, a fully furnished kitchen, dining halls and an oversized courtyard that provides plenty of space for the kids to play. A group of talented Reliv employees volunteered to sew bed covers for the dormitories, as well. Our distributors and employees should be proud of their involvement that made this endeavor possible.

A building dedication took place in June 2011, followed by a personal appearance at the St. Louis International Conference by Dr. Manno wanting to personally thank everyone and tell them what their generosity meant to him and the people of Haiti. A full year has passed since the kids have moved in, and we are not only making sure our kids are getting their daily nutrition, but we have reached out to the surrounding community. A small run down church is the current location where an additional 200 children who live in dreadful living conditions are also receiving daily shakes.

This project is not complete, but rather a project in progress. The home represents the first step in our commitment to these children and those in the Petite-Anse neighborhood.

RKF Opens Clinic in Cavite, Philippines

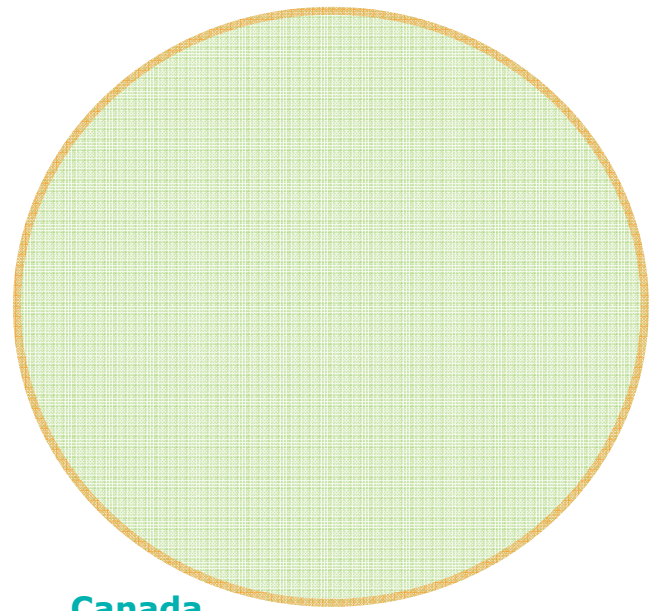

Directly across from the RKF Home, run by Sr. Beth Perez, a new medical clinic opened. This small clinic enables her to help children suffering from medical conditions as well as pregnant women at risk of giving birth to unhealthy babies. Volunteer doctors and nurses provide the medical resources that go hand in hand with nutritional support from Reliv Now® for Kids.

Rally for the Mission

During the 2011 St Louis International Conference, we replaced the previous "Walk" with a "Rally". By doing so, we were able to reduce the cost of this annual fundraiser by over 50% as well as give our distributors a new format to show their creativity and support for the Foundation. With the Corporate Reliv Rally-ers kicking off the morning, this new format was well received as over 1,500 distributors and their families watched and participated in this entertaining event.

Rally Stats

Participants: 1,500+ people

Money Raised: \$30,000

Expenses Dropped: 50%

2011 Highlights (cont.)

Network to Nourish

As we continue to share stories of the people we are helping, our distributors are finding their own way to tell our story to people in their communities. Network to Nourish events are being held throughout the United States. These events have been successful in raising interest in Reliv, as well as awareness of the work the Foundation is doing throughout the world.

Facebook

Our Facebook Family continues to grow. If you are interested in finding out the latest news, check us out and share our news with your friends. You will find weekly postings that will report on RKF events, testimonials and photos from our Area Coordinators who feature heart warming stories about the kids we are helping.

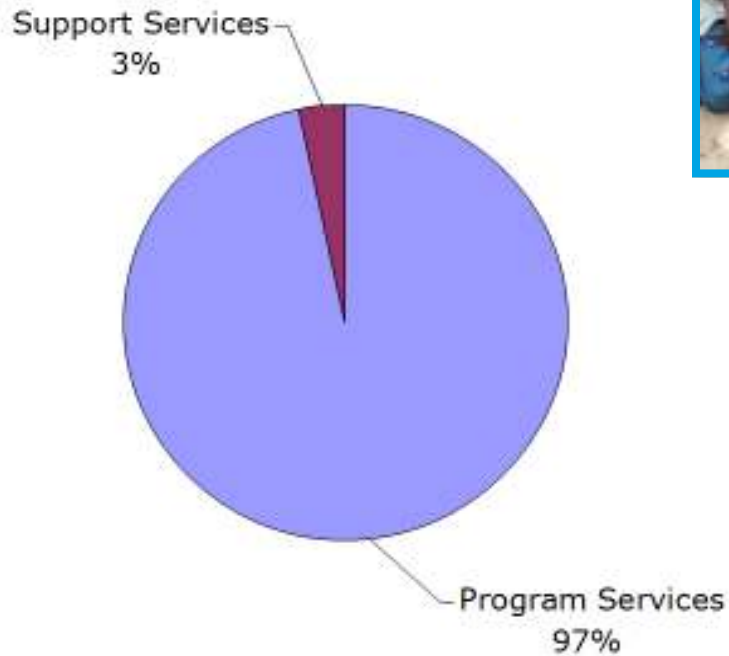

Online Donations

We have seen a huge jump in online donations. Reliv distributors can add an RKF donation to their shopping cart order, on the phone while placing an order or on the RKF website. In fact, more and more distributors are showing their friends how they too can support our work by donating on the RKF home page. All donations are not only tax deductible, they are also sure to bring a smile to one of our thousands of RKF kids!

Report of Independent Auditors

Board of Trustees
Reliv Kalogris Foundation
Chesterfield, Missouri

We have audited the accompanying statements of cash receipts and cash disbursements and related statements of functional expenses (collectively the "financial statements") of Reliv Kalogris Foundation (the "Foundation") for the years ended December 31, 2011 and 2010. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these financial statements have been prepared on the cash receipts and cash disbursements basis of accounting, which is a comprehensive basis of accounting other than U.S. generally accepted accounting principles.

In our opinion, the statements of cash receipts and cash disbursements and statements of functional expenses referred to above present fairly, in all material respects, the cash receipts and cash disbursements of Reliv Kalogris Foundation for the years ended December 31, 2011 and 2010, on the basis of accounting described in Note 2.

Reliv Kalogris Foundation

Notes to Financial Statements

December 31, 2011

1. Nature and Purpose of the Foundation

The Reliv Kalogris Foundation (the "Foundation") (formerly Kalogris Foundation) is an Illinois not-for-profit corporation and registered in all fifty states. The Internal Revenue Service has issued a ruling that the Foundation is a Section 501(c)(3) charitable organization and qualifies as a public charity under Section 509(a)(1) of the Internal Revenue Code. As such, it is exempt from federal income taxation on related income.

It is the mission of the Foundation to provide needy individuals (the indigent and victims of natural disasters) with nutritional products. This mission is accomplished through gifts of nutritional products directly to needy individuals as well as food banks, homeless shelters, rehabilitation centers, and disaster relief groups in the United States and selected foreign countries. The Foundation's goal is to *Nourish our World* through the delivery of its nutritional products to the needy.

The Foundation is sponsored by Reliv International, Inc. (Reliv), a for-profit corporation which is headquartered in Chesterfield, Missouri. Reliv conducts its operations and sells its products through an international network marketing system using independent distributors. The Foundation's primary source of revenue is donations from Reliv's independent distributors.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the cash receipts and cash disbursements basis of accounting. Under this methodology, revenues and expenses are recorded when cash is received or paid by the Foundation. This method differs from the accrual basis of accounting under generally accepted accounting principles in which revenues and expenses are recognized in the financial statements when earned or incurred. Also, under the cash receipts and cash disbursements basis of accounting, non-cash contributions are not recognized. Accordingly, the accompanying financial statements are not intended to present the financial position or results of operations in conformity with generally accepted accounting principles.

Cash Equivalents

Cash and cash equivalents include bank demand deposits and certificates of deposit funds with a maturity date of one year or less when purchased.

Reliv Kalogris Foundation

Notes to Financial Statements

December 31, 2011

2. Summary of Significant Accounting Policies (continued)

Foreign Currency Translation

The Foundation's reporting currency for its financial statements is the United States dollar. The Foundation also receives donations and makes expenditures in foreign currencies. In these instances, transaction amounts are translated using the transaction's actual currency exchange rate or the month-end currency exchange rate incurred upon settlement of the transaction. The exchange transactions are completed by Reliv on behalf of the Foundation before the cash is transferred to the Foundation.

Functional Expenses

The costs of the Foundation's programs and support services have been reported on a functional basis. This requires allocation of certain costs among the various programs and support services based on estimates made by management.

Program Services

Program services costs primarily consist of the Foundation's expenditures to purchase and distribute nutritional products to the needy in the United States and selected foreign countries. In certain impoverished foreign country locations, the Foundation has developed "feeding programs" which serve as a central location for the needy to receive his or her daily serving of nutrition. In these instances, the Foundation may also pay a stipend to a local country-based independent contractor who coordinates the local feeding program on its behalf.

In 2011 and 2010, utilizing unrestricted funds, the Foundation made a series of donations to local organizations totaling \$159,784 and \$76,529, respectively. These donations fund infrastructure improvements to Foundation sponsored local feeding programs, as follows:

Reliv Kalogris Foundation

2. Summary of Significant Accounting Policies (continued)

Program Services (continued)

	2011	2010
<u>Cavite, Philippines</u> : Routine facility maintenance, (includes emergency typhoon repairs), to a building constructed with a Foundation grant in 2007 to house local feeding program.	\$ 10,791	\$ 16,897
<u>Cavite, Philippines</u> : Funding for materials and labor to construct a children's playground at the Foundation-sponsored feeding facility.	4,124	---
<u>Cavite, Philippines</u> : Funding for materials and labor to construct a combination clinic and feeding center focused on serving pregnant women and children.	9,400	---
<u>Bulcan Center, Philippines</u> : Funding to construct a new facility to house a local feeding program. Construction has been suspended due to third-party non-performance.	10,283	19,008
<u>Haut Limbe, Haiti</u> : Funding to construct a kitchen within the local Baptist School to house a local feeding program. Completed October 2010.	---	4,000
<u>Cathedral of Cap Haitian Orphanage Facility</u> : Refer to the Restricted Funds section (below) of this footnote for further description of this project.	108,617	---
<u>Kuala Lumpur, Malaysia</u> : Acquire vehicle for use by local area coordinator to deliver nutritional products and to administer area nutritional programs.	---	27,077
<u>Haiti (multiple locations)</u> : Purchase and install low-volume water filtration systems needed for nutritional product preparation at local feeding programs.	3,500	2,054
<u>Other</u> :	13,069	7,493
	<u>\$ 159,784</u>	<u>\$ 76,529</u>

Reliv Kalogris Foundation
Notes to Financial Statements

December 31, 2011

2. Summary of Significant Accounting Policies (continued)

Restricted Funds

Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted cash, depending on the existence and/or nature of any donor restrictions. The Foundation has not received any permanently restricted donations.

In the first quarter of 2010, the Foundation made a special donor appeal seeking contributions to be specifically used by the Foundation to support the country of Haiti's efforts to recover from its catastrophic earthquake of January 12, 2010. Fiscal year 2010 contributions received under this special donor appeal were \$76,878; all of which were expended by the Foundation in 2010 to support Haiti earthquake relief. In Fiscal year 2011, restricted donations from Reliv employees of \$4,831 were expended in 2011 for residential-type furnishings for the orphanage.

	2011	2010
<u>Nutritional Products</u> : Food served to earthquake victims.	\$ ---	\$ 21,878
<u>Donation to Convoy of Hope</u> : Funds utilized by Convoy of Hope for food and temporary shelter.	---	25,000
<u>Cathedral of Cap Haitian Orphanage Facility</u> : Funding to build a dormitory, kitchen, and study room/activity center. This building houses children orphaned as a result of the Haiti earthquake. The new kitchen also supports a new feeding center estimated to serve five hundred non-resident children per day. The Foundation intends to fund the remainder of this project from unrestricted funds. Estimated final completion is late 2012.	4,831	30,000
	\$ 4,831	\$ 76,878

In the aggregate, total unrestricted and restricted Foundation expenditures for the Cathedral of Cap Haitian Orphanage Facility were \$113,448 and \$30,000 in 2011 and 2010, respectively.

Reliv Kalogris Foundation

Notes to Financial Statements

December 31, 2011

2. Summary of Significant Accounting Policies (continued)

Income Taxes

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. Therefore, there are no provisions for income taxes reflected in these financial statements.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Foundation and various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities for the years ended December 31, 2011 and 2010.

The Foundation's information returns, for the years ending 2011, 2010, 2009 and 2008 are subject to examination by the IRS, generally for 3 years after they were filed.

3. Related Party Transactions

As stated in Note 1, the Foundation's primary source of revenue is donations received from Reliv's independent distributors. Donations received from Reliv and its employees as well as proceeds from fundraising events held by the Reliv independent distributors and employees comprise the remainder of the Foundation's revenue.

The Foundation also receives support from Reliv consisting of the free use of Reliv's office facilities, office equipment, and overall general and administrative office support. Reliv also bears the total compensation costs of the Foundation's two full-time employees and one part-time employee as well as other Reliv employees who, from time to time, assist with the Foundation's operations.

Reliv Kalogris Foundation

Notes to Financial Statements

December 31, 2011

3. Related Party Transactions (continued)

To provide its program services, the Foundation purchases nutritional products from Reliv. The purchases are valued at Reliv's cost to manufacture and distribute the product. The Foundation determines the nature, timing, and distribution of all nutritional products purchased from Reliv and delivered to its recipients. For 2011 and 2010, payments to Reliv by the Foundation for products and related distribution totaled \$809,183 and \$477,580, respectively.

4. Significant Funders

The Foundation primarily solicits donations from the general public through Reliv's independent distributors. As a result, the Foundation is fully dependent upon the continued existence of Reliv and Reliv's independent distributors for cash donations, donated human resources and services, and the Foundation's purchase of nutritional products at amounts less than fair market value.

5. Subsequent Events

For the year ended December 31, 2011, the Foundation's management has evaluated subsequent events for potential recognition and disclosure through May 24, 2012, the date the financial statements were available for issuance.
